Edward "Doctor" Porter

When we think of a great teacher we think of one who cares about his students, not only academically but personally as well. Here at Bridgewater- Raynham we have many teachers that fall under the category of "great teachers." However, there is one teacher who has impacted all of our lives, and the Class of 2005 would like to give something back to him. This wonderful man is none other than our very own Mr. Edward Porter-- "the Doctor."

Doctor is an incredible teacher and friend to all. One thing that makes him so loved is the fact that he does not treat students as if we were "just kids." He treats us as adults. He does not look at teaching as another paycheck, he sees it as a way to impact our future. His sense of humor is unforgettable. Doctor always seems to have a clever remark to say or a funny nickname for each of his students. More often than not you will see him laughing or with a smile on his face.

For all of us, being in Doctor's class has been a joy and our grades have improved significantly from previous years. We have learned so much from him.

The class of 2005 would like to say thank you for all your knowledge and everything you have done for each of us. You will never be a no factor to any of us.

Retirees

This year's retiring staff members have a combined average of over 200 years of service to the B-R community. As a group and individually they have inspired us, challenged us, encouraged us, and stuck by us in good times and bad. Without their selfless dedication and professionalism thousands of students' lives would not have been touched. The impact of our retirees on the future of our students will be felt for generations to come and the loss to the B-R family will be devastating. We wish our retirees health, happiness, and the chance to enjoy a well deserved rest.

FOOTBALL

B-R football teams have always been outstanding, and the 2004 team was no exception. Led by Coach Buron and captains Ryan Buckley, Nick Deluliis, Anthony Mendes, and Greg Karsner, the boys have had a phenomenal season with many close victories. A 13-12 victory over Barnstable gave Coach Buron a record 100 wins and their win against Taunton secured the OCL championship. Seniors Matt Grein, Tony Caliri, Tony Murdoch, and Vaughn Maxson have been inspirational to younger team members who hope for an equally successful season in 2005.

"If you think you have nothing left, dig deeper!" This inspirational team motto helped the girls on their way to a successful 6-9-3 record. The other talented seniors including Rabia Bajwa, Jill Chaffee, Nicole Mace, Rachel Liao, Shannon Haluch, and Barbara Torres always kept their attitudes postive during tough times. As Coach Casabian reflected, "It was a challenging year because of the user's fee, but the team rose to the challenge and made the best of it."

The girls were led by a strong senior presence including captains Katie Innocenzi, Stephanie Oliari and Regina Acampora. Their team motto is "Finish it!"

Led by captains Chris Ladd and Ian Crotty and accompanying senior Stewart MacArthur, the Trojans were able to unite as a team and share countless memories. The legacy of Bertha as the team mascot will live on forever. All of the boys will remember their pre-meet pasta parties and great laughs and conversations while running on the road. Coach Paul Urban Jr. reflects, "The team had a rough start at the beginning, but the guys all worked hard, and in the end, they were able to come together and run really well."

CROSS COUNTRY

Row 1: J. Lin(captain), A. Shaw(captain), A. Donovan(captain)
Row 2: M. Murphy, C. Allan, D. Murphy(manager), E. Dillon, A. Coughlin

The Lady Trojans had a small 2004 Cross Country team, but they were still able to have a fun season. The girls finished with an overall record of 2-6, and the seven of them became very united. They shared great memories of pasta parties before every meet and pizza after practice on Fridays. They will always remember the hard practice runs to the college to work out at the sand pits, the bare-foot strides on the football field, and the meets in the pouring rain. Secret admirers and "kidnapping" signals will always be remembered. Seniors Jen Lin, Ariel Shaw, and Elizabeth Dillon will be truly missed, but Coach Paul Urban Jr. still has hopes for next year. He reflects, "We had a small team this year, but the girls worked hard and had a good time."

Led by senior captain Kevin Reagan, the team got together for a pasta party before the big match of the season. As Coach Paul Urban Sr. gets closer to retirement, he is happy to have won the league in what may be his last winter season. The most exciting memory of the season was the meet against Marshfield which came down to which team won the 4x4. Many of the athletes qualified for the Division 1 meet and hoped to move on to the All-State meet. There is a lot of talent in the younger classes, so the Lady Trojans will continue their success in the upcoming seasons.

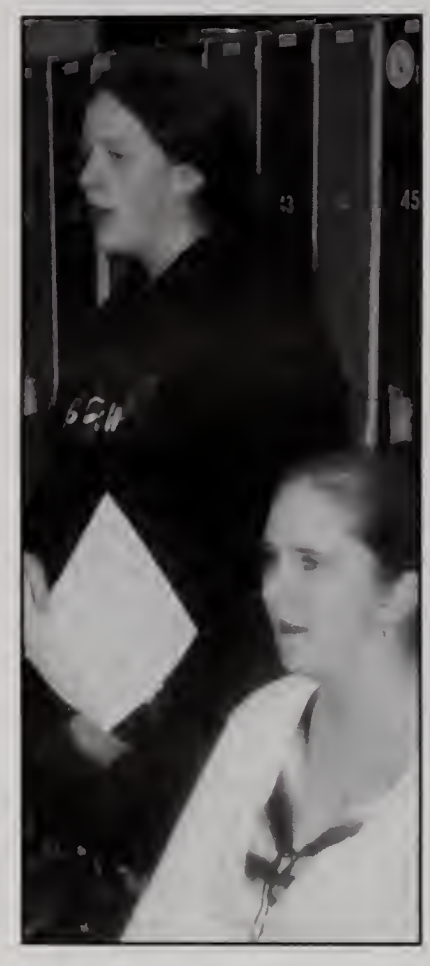
Remember...



High School is not only about time spent working in the classroom. The learning opportunities provided by our numerous clubs & activities are also a very important part of our high school years. Despite user fees classrooms still buzzed after school as people met to pursue all sorts of interests. Whether fundraising, community service, after school meetings, or field trips, we will always remember the activities we participated in and the fun we had.

The B-R Gay Straight Alliance is primarily a student run organization that tries to encourage respect and promote tolerance within the high school. One of the goals of the club is to provide a place where students can feel safe and comfortable with some of the difficult choices they face. Advisor Ms. Kitchell had the help of many seniors this year including Danika Erikson, Kimberly Coleman, Ashley McGrath, Brendon Cunha, Jessica Hood, and Adam Smith. Many special memories were created in the GSA including the SASSIES, the Youth Pride March, The Day of Silence, "Mal", and illegal money. Ms. Kitchell had this to say about her experience with the GSA, "Advising the GSA these past two years has allowed me the opportunity to meet and come to know some amazing, open-minded, and accepting students. Civil Rights

The Civil Rights Team continues to work towards making B-R a more tolerant and accepting community. Led by Ms. Shirley Brown and senior Jess Hood, the team participates in activities designed to facilitate student interaction and increase understanding among diverse student populations. The culminating event of the group this year was the very successful Mix-It-Up at Lunch day that urged students to break out of the box and meet new people. One quarter of the school participated in the lunch-time activity that provided opportunities to meet and interact with fellow classmates. Classroom incentives and a rocking DJ helped to ensure great participation. An awesome time was had by all and plans are underway to expand the program next year.

Ski Club

The Ski Club had an awesome 2004-2005 season carving up the slopes of New Hampshire, Maine and Vermont. Led by Miss Elaine Grublin and Mrs. Donna Holt, the club left most Saturday mornings in the wee hours for long rides to the mountains. After full days of skiing and riding it was back on the bus for the trek home. The club will always remember fun times in good snow and great movies on the rides home. "Big Fish" will live on in their hearts and minds forever. Miss Grublin and Mrs. Holt thank the students for an awesome season.

Student Council

Mr. Gerry Cunniff and Mr. Jon Lindskog continue to provide the quality leadership that makes the Student Council one of the most successful and active groups in the B-R community. From selling candy, to running canned food drives, to buying turkeys, the group never stops. Along with the Modern World Affairs Club the group will travel to Washington, DC in April to increase its knowledge of government and civic affairs.

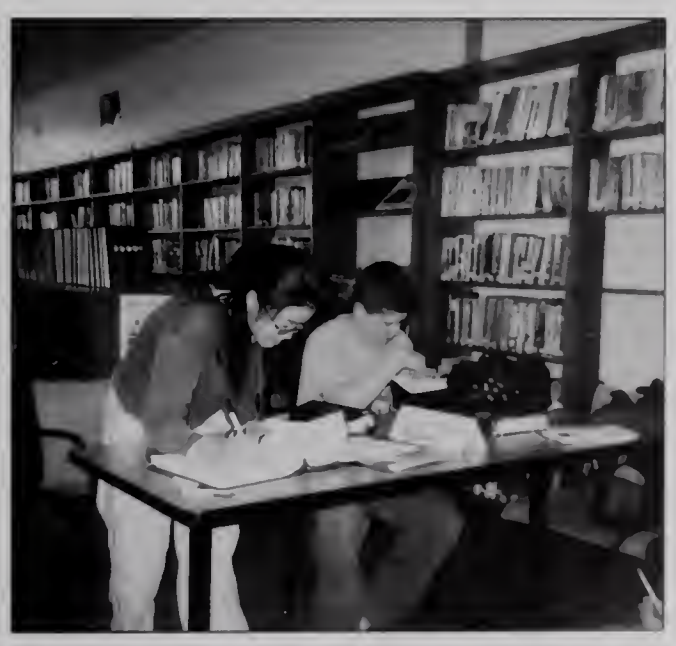
Under the direction of school librarian Mrs. Sue Brougham the library docent program has flourished. A program of student volunteers that help in all areas of the library, the program was started in the 2003- 2004 school year and has grown to include over 20 students who provide a variety of services to staff and students alike. Library docents check in students, give passes, reshelve books, help with research and generally do everything that needs to be done at any given time in the school library. The B-R community expresses its thanks to these selfless, dedicated individuals who make all of our lives a little easier.



1. Liz Kellogg puts back returned books.
2. Library docents make sure everyone has checked-in for the period.
3. Liz Donovan organizes books by the Dewey Decimal system.
4. James Lawrence prevents dust build up on the shelves.
5. DJ Ebbs makes sure the computers don't crash.

Habitat For Humanity

In just it's second year, the fledgling Habitat for Humanity club continues to work with local Habitat for Humanity International affiliates to help provide low income housing for people in need. This year has not been very eventful for the local affiliates, leaving the club with little to do. In September they took part in the townwide yardsale in Kingston, MA to raise money for a project in that town. And with a little luck they will be able to aid in the construction of that house in the spring. Hopefully Habitat will continue to do great deeds in future years.

Peer Leaders is a group of teens that are considered good role models. In charge is Mrs. Bogle with help from Ashleigh Rowan, Michelle Bogle, and Lindsay Reagan. The quote for Peer Leaders is "To Help Others-Be Role Models" Some activities the group participated in this year were buying Christmas gifts for a family, the 5 mile Cancer Walk for Brockton Hospital, and a Scholarship Drive. A bake sale was also held on Parent's Night. Two other Seniors that helped make this year a success were Karlyn Bailey and Allison Shrago.

As we seniors bid a fond farewell to B-R, we pass the torch to our fellow students, the underclassmen. We wish you luck and hope that your time at B-R is as enriching and entertaining as our four years have been. Best of luck to the classes of '06, '07, and '08!

EWATER RAYN

Remember...

We have shared four fantastic years and we have finally reached the end. As we prepare for our futures we should take time to reflect on our past. The experiences we shared during our time at BR are now our legacy. Despite our many differences we have accomplished so much together. As Freshmen we became familiar with a new school and a host of new teachers. As Sophomores we faced road tests & MCAS. As Juniors we dealt with gas leaks & the stress of prom. Senior year was a year like none other–new principal, new schedule, new fees, & new rules–yet together we made it through. And now we prepare to face our biggest challenge,–our future. As we go on our way, whether it be to college, to work, or elsewhere, may we never forget our days at the Regional. Good luck Class of 2005!
